### **Kathleen Street Bridge to Close**

Jonesboro, AR—The bridge on Kathleen Street over Murray Creek will be closed to traffic beginning 7:00am on Tuesday, March 24, 2015. The bridge is expected to be back open by the end of the day on Thursday, March 26.

The bridge will be closed to prepare it for asphalt overlay. The work being done requires the bridge to be closed to all traffic.

During the closing, all traffic will be detoured around the bridge. Southbound traffic on Kathleen will be directed east on Prospect Road to Easley Lane, south on Easley Lane to Pacific Road, west on Pacific Road to Kathleen Street. Southbound traffic on Old Bridger Road headed to Kathleen Street is encouraged to follow the same detour route. Northbound traffic on Kathleen will follow the same route in reverse.

Drivers are encouraged to use caution and drive slowly in and around work zones.
