WORKER'S COMPENSATION/Occupational Injuries and Illnesses: All employees of the City are covered under the Arkansas State Worker's Compensation Law. If you have an "on-the-job" injury you should immediately notify your supervisor, who will arrange for any needed medical treatment and help you start the paperwork. Rules and regulations concerning Workers' Compensation have been posted on department bulletin boards.

1. You are ***not*** to use emergency treatment facilities for on-the-job injuries unless the injury is a ***true emergency***, or unless you are injured outside of normal city office hours. For medical treatment of all non-emergency workplace injuries, you or your supervisor should contact the Human Resource Department for a doctor's appointment. You ***must*** report to the Human Resource Department as soon as possible after any workplace injury to start necessary reports. (No more than 3-working days after you are injured, unless you are not medically able).

2. If you are injured on the job and are unable to work, you may continue to draw regular salary using your accrued sick leave and/or vacation time. If you choose this option you ***must*** report to Human Resources any temporary disability checks you get from our Workers' Compensation Insurer. Payroll will then reduce your next pay checks(s) by the amount of pay you received from the carrier and restore the equivalent amount of the sick and vacation time used.

3. If you don't want to use your sick leave or vacation time or if you don't have enough leave time to continue your salary, then you ***will not*** receive a paycheck from the city and you will keep any temporary disability checks you get from our Workers' Compensation Insurer.
