

TCP MobileClock Installation

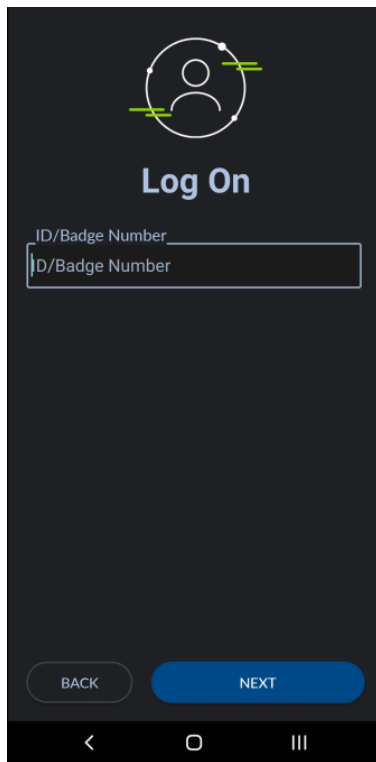

Step 1: Search for the TCP MobileClock in the play store or Apple store . The newest version will have a picture of an hourglass with a **white** background.

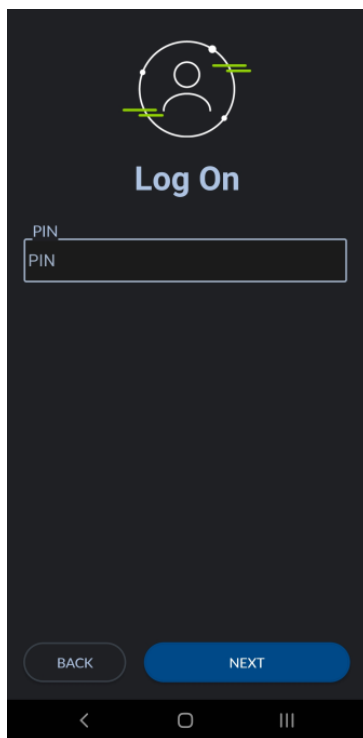

Step 2: Enter Customer ID. Customer ID = 260657

Step 3: Enter ID Badge number. This will be your normal 5 digit login ID number.

Step 4: Enter your 4 digit Pin number.

Step 5: You will then see your Dashboard and be able to request time off and approve your hours for the week.
