### **Highway 226 closure to affect southwest Jonesboro traffic Wednesday**

A stretch of Arkansas Highway 226 southwest of Jonesboro will be closed for maintenance work from 7 a.m. until late afternoon on Wednesday, June 8, weather permitting.

The closure will be about one mile southwest of the Arkansas 226-Interstate 555 intersection, south Duckswater Street and north of Dickson Road. The Arkansas Highway and Transportation Department will be replacing old drainage tiles that cross the highway at that location.

AHTD suggests motorists use Neel Road to U.S. 49 for local access to Arkansas 226 south of Dickson Road while the work is being performed.
