City will remove heavy, discarded items from flood

The City of Jonesboro Sanitation Department will collect discarded items from the recent flooding left at curbsides over the coming week, beginning tomorrow, Saturday, May 28.

Crews will start at 8 a.m. removing items in the Old Paragould Highway-Bridger Street neighborhood and work until noon. On Tuesday, May 31, they will wrap up any unfinished work in that northeast portion of the city and send two trucks to the Fairview neighborhood between Stadium Drive and the railroad tracks.

Workers will remove discarded items from curbsides in other flooded areas throughout the course of next week. Anyone wanting to confirm pickup dates or inform the city of items left for pickup should contact the Sanitation Department at 870-932-7520 or email Sanitation Superintendent Donny Gibson at dgibson@jonesboro.org or Ronnie Stanback at rstanback@jonesboro.org. The Sanitation Department is located at 2601 Dan Ave.
