

## Who We Are

Arkansas Juniors Storm is a Junior Olympic volleyball club located in Jonesboro, AR. It was formed in 2016 when two clubs merged to provide better resources and opportunities for local players.

32+ Current Teams → 350+ Members → #1 Largest Club in Delta Region

## Delta Region is misnomer

It's not what you normally think when you hear "Delta"

The Delta Region in volleyball includes Fayetteville, Conway, Fort Smith, Little Rock, Memphis

Each of those clubs is smaller than ours, but they all have LARGER facilities for practice and tournaments

## Our Vision for the Future

A Multi-Sport Complex equipped as 24-court volleyball facility that also converts into 12 basketball courts.

With the mixed facilities we currently have, we max out at 80 teams per tournament and can't attract highly competitive travel teams and collegiate scouts.

A 24 court facility could host 200-team tournaments in one location.
